

The Great God Chance

Smile upon me today
Oh Great God Chance
And bless my activities
That they may benefit
Me, and through me, others.
I cannot conceive a statue
To your omnipotent allness
For your presence
Fills my consciousness
With the beauty of your power
Beyond all means of my rendering
But I know and acknowledge you
And know that I am of you.
So bless my day
That is your first gift.

Ancient Prayer
